

Dear Parents/Carers

Swim and Survive Swimming Lessons 2017 – Year 1

Monash School is excited to be offering your child the opportunity to acquire essential life skills in water safety and survival through Royal Life Saving ACT. The Royal Life Saving ACT *Swim and Survive* program is a series of 10 half hour practical lessons focused on general water safety and personal aquatic survival skills. This targeted approach will ensure every participating student has the opportunity to access structured aquatic activities during primary school.

The cost of the program is \$106 per student.

You will need to register and pay on behalf of your child for participation via Royal Life Saving ACT's dedicated schools' programs website (the permission note issued by the school will not enrol your child into the program). Instructions on how to register are provided below.

If you do not have online access, hard copy forms are available at the front office.
Hard copy forms should be returned to school no later than Friday 28 July 2017.
