Outgoing Preschool Sub-Committee Chair Report
Monash School P & C
Prepared for AGM 26th March 2014

I found the role of chair of the Monash Preschool subcommittee very rewarding and would do it again in a heartbeat. It is an enriching way to be part of your child’s first year at school and support them developing a lifelong love of learning.

We organised many of the long term favourite fundraisers such as the picture plates and also implemented some new activities such as the Wednesday baking stall - a brilliant idea of one of our amazing teachers, Tracey Swann! As a result of the fundraising activities a number of key resources were able to be purchased, for example: LCD TVs, camera, Lego table, Lego sets, puzzles, Leaky Boat, Wheely Gigs, Scrambler Net and Ute. Our preschool children were able to enjoy these as will many more preschoolers in the future.

I would like to sincerely thank the other subcommittee members for their great efforts and friendship; Annie Curtis, Tonia Pearson and particularly our treasurer, Kristy Chromicky, who was so incredibly generous in terms of her time, dedication and expertise.

I would also like to warmly thank the preschool teachers for their open hearts, warmth and professionalism in supporting our preschoolers. You gave them a solid foundation to build the rest of their education on and made preschool a place they loved going to!

In addition, a special thanks to the P&C, Shane, Monash primary school teachers and the Monash school parent and carer community for their support; this experience was all the richer having shared it with you all.

I wish the 2014 Preschool subcommittee all the very best for what will undoubtedly be an exciting year!

Kind regards

Dr Sarojini (Ro) Mitchell
Chair, 2013 Monash Preschool subcommittee
