

YEAR 3/4 TERM 3 OVERVIEW

Monash
School

READING

In reading, we will be looking at a range of comprehension strategies, including skimming and scanning, inferencing, making connections and summarising. We will be looking at content that connects to our inquiry units on celebrations and states of matter.

WRITING

In writing, we will continue to write information reports, which are related to our inquiry unit. We will then begin looking at procedural texts. We will continue to focus on spelling strategies, punctuation skills and sentence structure.

YEAR 3 MATHEMATICS

- Algebra: addition and subtraction number patterns
- Fractions
- Probability
- Statistics

YEAR 4 MATHEMATICS

- Algebra: addition, subtraction and multiplication number patterns
- Fractions
- Probability
- Statistics

INQUIRY

In inquiry, we will be learning about celebrations, digital technology and states of matter.

Students will get an opportunity to explore a range of celebrations, undertake scientific investigations and follow the design, make, appraise process.
