

YEAR 5/6 TERM 3 OVERVIEW

Monash
School

READING

Teachers and students will be engaging with the CAFE reading menu to target their individual reading goal. Goals will be targeted towards comprehension, accuracy, fluency and expanding vocabulary to challenge independent reading confidence.

WRITING

Writer's Notebook will be introduced to students this term as a tool for thinking, planning and unpacking individual writing ideas. We will be collecting personal thoughts, ideas and observations to allow students the opportunity to explore topics of interest.

YEAR 5 MATHEMATICS

- Algebra - number patterns
- Number - adding and subtracting fractions
- Measurement - volume

YEAR 6 MATHEMATICS

- Algebra - order of operations
- Number - adding and subtracting fractions
- Measurement - volume and capacity

INQUIRY

Students will engage in *History* from Federation to 2000s. We will be exploring significant people or events that shape who we are today.

We will be learning *Biological Sciences* and how organisms change due to their physical environments.
