

YEAR 3/4 TERM 4 OVERVIEW

Monash
School

READING

Students will continue to develop their reading strategies and skills. They will explore how to use functional grammar to support them in questioning, summarising and synthesising to improve comprehension skills.

WRITING

This term, students will be revising narratives and persuasive texts. They will be learning how to use dialogue and descriptive language more effectively. Students will also be exploring different types of poetry and poetic devices.

YEAR 3 MATHEMATICS

- Money
- Angles
- Mass & Capacity
- Division & Multiplication

YEAR 4 MATHEMATICS

- Money
- Angles
- Mass & Capacity
- Decimals
- Division & Multiplication

INQUIRY

Students will continue the 'Melting Moments' unit exploring the states of matter. They will investigate different materials and their properties.

Students will also be practising their dance skills to complete our arts unit.
