

2018 Monash Market Day!

TUESDAY, 13 NOVEMBER 2018

As part of the Year 5/6 inquiry unit of Business and Economics, students are investigating the importance of budgeting to create a successful business based on data collected from their consumer. Students are exploring why it is important to be informed when making consumer and financial decisions.

Students will:

- identify the purpose of their business and recognise the different ways that businesses choose to provide goods and services;
- plan and create a successful business plan based on data;
- plan, organise and run a market stall on a budget, with the intention of making a profit.

Monash Market Day is an event where students participate in a range of fun activities. The funds raised go towards the Year 6 gift to the school.

Students are able to purchase tickets that will enable them to buy various items or participate in a variety of activities at the Monash Market Day.

\$5.00 (book of 5 tickets)

Each ticket allows a child to participate in an activity or make a purchase!

Some of the fun filled activities include: 'Crazy Cans' – knocking cans down with balls (or water balloons), 'Crazy Drinkers' – spiders (ice cream and soft drink), 'Dip 'n' Win' – put your hand in slime and jelly to win a prize, 'Squirt 'em up' – shoot a target using water guns, and 'Throw, Splat, Win' – throwing water balloons to win lollies.

This is a uniform free day for the school. No thongs, singlet tops or short shorts. Please remember your hat! There will be water activities, so a change of clothes might also be worthwhile.

Thank you for your support
